Dear Colleagues and Friends, We would like to invite you to join us for the World Congress of Minimally Invasive Gynecologic Surgery and 3<sup>rd</sup> Croatian Congress of Minimally Invasive Gynecologic Surgery. We will discuss all the aspects of this exciting field of medicine, placing a special emphasis on new technologies. We hope to call upon endoscopists from all over the world and prestigious international faculties in order to promote minimally invasive gynecologic surgery and its benefits.

There will be a significant place oriented towards „Junior“ surgeons, where audiovisual presentations on interesting cases and complications will be discussed. At last, the city of Dubrovnik, one of the most beautiful cities in the Mediterranean, part of the UNESCO's World Heritage, offers a friendly and welcoming atmosphere within its architecture and rich culture.

Exciting social events and excursions will be offered since Dubrovnik is the most wonderful at this time of the year.
